**DOCKETED**

DEC 04 2013

DOCKETED BY

IN THE MATTER OF THE APPLICATION OF  
WATER UTILITY OF GREATER TONOPAH,  
INC., AN ARIZONA CORPORATION, FOR AN  
EXTENSION OF ITS CERTIFICATE OF  
CONVENIENCE AND NECESSITY.

DOCKET NO. W-02450A-06-0253

**Motion for Extension of Time**

Pursuant to Decision No. 71516 (March 17, 2010), the Water Utility of Greater Tonopah ("Tonopah") is required to file "Certificates of Approval of Construction for its water source, treatment plant, storage tanks, and water distribution system, and a copy of the Discharge Authorization Letter related to its proposed water treatment plant" by December 4, 2013. Tonopah respectfully requests an extension of time to comply with this requirement.

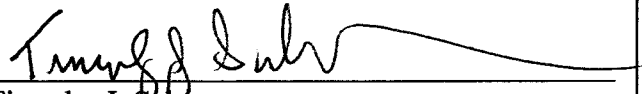

This requirement originates in Decision No. 70037 (December 6, 2007). That Decision granted Tonopah a Certificate of Convenience and Necessity ("CC&N") over  $\frac{3}{4}$  of a section in the Balterra development. Tonopah already held a CC&N over the majority of the Balterra development (Decision No. 70037 at Finding of Fact No. 7).

Due to the well-known economic conditions, the Balterra development has not proceeded at this time. Accordingly, it was reasonable for Tonopah to not construct the facilities. Moreover, as already noted, Tonopah already held the CC&N for the majority of the Balterra development, and it makes sense to keep the entire development under the same CC&N. Accordingly, an extension of time is appropriate. Therefore, Tonopah requests an extension of time until December 4, 2018.
